Benefits of Preplanning Your Funeral

No one wants to think about their own death, but eventually it will happen. Will your children be prepared? Do they know what you want? Will they be able to afford it? While we all hope to live a long time, accidents and sudden illnesses sometimes happen. It's never too soon to start planning. Join us for an information session on Thursday, 8/23 at 6:30.

On 8/21, at 2pm, different organizations such as the Atlanta Food Bank will share community assistance resources with patrons.
