New Business

Reverend Keith Strickland of Solid Stone Ministries presented a proposal to lease to HA building. He explained the history of the ministry and its mission. Each Trustee was presented with a packet of information regarding the various activities of the ministry. The Reverend stated that if they could lease the building it would allow them room to grow their current ministry to include tutorial services, a food pantry and music lessons. The ministry currently has 70 members on the roster, half of whom live in Hampton. They would be able to pay $1,000-$1,500 per month to lease the building. They would also pay all the utilities.

The Board thanked him for his presentation and said they would get back to him after they had time to consider the offer. The Board asked Carolyn to research what would be needed in order to lease the building as well as what the process of selling the building would entail. Carolyn said she would come prepared with that information at the August meeting.

Carolyn informed the Board that the City of Hampton has offered to pick up the water and sewer bill until the end of September in order for the new landscaping to be watered. They’ve agreed to place a sign on the lawn to explain that the watering is being provided by the City. Marianne Morfoot recommended that this arrangement be explained in the newspaper.
• Jan Lowe made a motion that we accept the City of Hampton’s offer to pay for the water and sewer bill of the Hampton Library. Sandy McGarity seconded the motion. It was approved.

Carolyn informed the Board that the Funds from the Board of Commissioners would only be $1,475,640. She presented a proposed schedule that was a joint effort between Administrative staff, Mike Bush, and Butch Sanders. Library hours would be cut to 32 hours at all branches except MD. MD would be open every Sunday afternoon, adding 4 hours a week to its schedule. Staff would rotate to work the Sundays. Most holidays would be unpaid. Administrative staff would work 33 hours per week, equal to the time that branch full-time employees would work per month. Branch full-time staff would work 32 hours per week except when working 4 hours on Sunday.
